INSTRUCTIONS – see video tutorial at

1. Cut all cardstock.
2. Fold and crease cardbase and front flap along score lines with bone folder.
3. Stamp image / decorate Front Sentiment piece.
4. Stamp image/sentiment to Inside Mat if desired (optional step).
5. Affix Flap to Cardbase by placing adhesive along back of the 20mm (0.5") flap. With card base open and wrong side of flap facing up, place the 20mm (0.5") centred vertically on right edge of card base so that fold line aligns with the right edge. Press in place.
6. Affix Inside Mat to right side of open card base, covering the flap you have just affixed in place.
7. Affix DSP1 to outside and inside of the front of the card base (the side to the left of the fold).
8. Affix DSP2 to the outside and inside of the card flap.
9. Affix the card front to the centre of the front of the card flap.
10. Affix sentiment piece to the centre of the cardstock attached in step 8.
11. Embellish as desired.
